**American Trade Association, LLC, American Trade Association, Inc.,
Smart Data Solutions LLC and Serve America Assurance in Liquidation
Notes to September 30, 2011 financials**

- 1 On March 23, 2010, an "ORDER OF SEIZURE OF RESPONDENTS SMART DATA SOLUTIONS, AMERICAN TRADE ASSOCIATION, INC., AMERICAN TRADE ASSOCIATION, LLC, AND SERVE AMERICA ASSURANCE..." was entered in the Chancery Court of the State of Tennessee Twentieth Judicial District, Davidson County.
- 2 On May 20, 2010, a "FINAL ORDER APPOINTING THE COMMISSIONER AS RECEIVER FOR LIQUIDATION OF RESPONDENTS SMART DATA SOLUTIONS, LLC, AMERICAN TRADE ASSOCIATION, INC., AMERICAN TRADE ASSOCIATION, LLC, AND SERVE AMERICA ASSURANCE,..." ("Liquidation Order") was entered in the Chancery Court of the State of Tennessee Twentieth Judicial District, Davidson County, upon the Court's finding the entities to be a hazard to the public and financially insolvent. On August 5, 2010, Respondents Smart Data Solutions, LLC, American Trade Association, Inc., American Trade Association, LLC, Bart Posey, Angie Posey, and Richard Bachman filed a Notice of Appeal of the Liquidation Order to the Tennessee Court of Appeals. On August 9, 2010, Respondent William Worthy also filed a Notice of Appeal. The Liquidation Order was not stayed during the pending appeal. The Court of Appeals heard oral arguments on the case on March 25, 2011, and issued its opinion on June 3, 2011, affirming the judgment of the Chancery Court. The Court of Appeals' mandate was returned to the Chancery Court on or around August 9, 2011, signifying the end of the appeal.
- 3 In the Court's April 27, 2010 Memorandum and Order, the Court determined that the entities were insolvent. The Court determined that using the most conservative estimate of the entities' claims liability of \$3,367,682, the liabilities exceeded the entities' assets. The Petitioner presented testimony that claims liability was estimated to be in excess of \$6,895,830. After being placed into liquidation, this claims liability will be replaced by the liability established through the submission, determination, and adjudication of the statutory Proofs of Claim to the Liquidation. The deadline for submitting Proofs of Claim ran on August 31, 2010. The Liquidator has received in excess of 12,000 Proofs of Claim with claimed amounts in excess of \$40 million, and the Liquidator has been reviewing these Proofs of Claim. In accordance with the Court's September 27, 2010 Order, no Liquidator's Notices of Determination, pursuant to Tenn. Code Ann. 56-9-331 & -327, were issued. On November 7, 2011, the Court entered an order granting the Liquidator's unopposed motion for permission to begin preparing and issuing Notices of Determination for Proofs of Claim filed in the Liquidation. As a result, the Liquidator has begun preparing Notices of Determination and will begin issuing these Notices of Determination during the first quarter of 2012. As the Liquidator has not yet resolved the valid amounts for Proofs of Claim, the Proof of Claim liability in the Liquidation has yet to be determined (see also note 4 and 13).
- 4 These financials present the financial statements for the combined entities referred to above and are presented on a modified cash basis. The difference from a strict cash basis in these financials is that liquidation fees, payroll liabilities, and related payroll expenses are recognized as incurred. **These financials do not include an accrual for a Proof of Claim liability (see also notes 3 and 13).**

As of this filing, there have been approximately 12,844 Proofs of Claim received in the office of the liquidation. Of these, 11,776 were received by the Proof of Claim filing deadline of August 31, 2010. Of the timely filed Proofs of Claim, the amount entered on the Proof of Claim form as the Claim Amount is approximately \$40,000,000. There are infrequent instances where claimants filed multiple Proofs of Claim for the same claim. In those infrequent instances, the Claim Amount is duplicative in the \$40,000,000. The liquidation office continues to receive Proofs of Claim forms from potential claimants.

As of this filing, approximately 14 Proofs of Claims have been received from general creditors (Class 5). Class 5 claims will only be paid if all valid and approved claims immediately preceding Class 5, including Class 2 policy claims, are paid in full. The Liquidator will issue Notices of Determination to establish the Class 5 status of these Proofs of Claim but will only assign a value to these claims if and when all immediately preceding classes are paid in full.

**American Trade Association, LLC, American Trade Association, Inc.,
Smart Data Solutions LLC and Serve America Assurance in Liquidation
Notes to September 30, 2011 financials**

The Liquidator has determined that ATA member claims for unearned or earned premium refunds will be Class 5 claims pursuant to Tenn. Code Ann. § 56-9-330(a)(5) but will only assign a value to these claims if and when all immediately preceding classes are paid in full.

Proofs of Claim received in the liquidation office after the August 31, 2010 claims filing deadline are generally considered to be late-filed and are Class 7 claims. The Liquidator will issue Notices of Determination to establish the Class 7 status of these late-filed Proofs of Claim but will only assign a value to these claims if and when all immediately preceding classes are paid in full.

The liquidation office continues to receive claims submitted without a Proof of Claim form. These claims are returned - to the party submitting them with instructions to resubmit with a completed Proof of Claim form. Many of these claim forms are for medical services provided after the Court-ordered termination of all policies of insurance as of May 31, 2010. In those instances, there would be no policy coverage and the claim for services provided after the policy termination date will be denied in whole.

The Liquidator will issue Notices of Determination on Proofs of Claim during the first quarter of 2012. The plan at this time is to issue Notices of Determination first to all late filed Proofs of Claim and general creditor Proofs of Claim. Next, Notices of Determination will be issued to providers of medical services in instances where the ATA member did not file a Proof of Claim for the particular service. Finally, Notices of Determination will be issued to ATA members. There remain open issues on member Proofs of Claim (particularly surrounding the pharmacy benefit), and the Liquidator is attempting to resolve these outstanding issues.

All claimants will have the statutory right to object to the Liquidator Notice of Determination of their Proof of Claim. A Claimant's Objection form will be included with the Notice of Determination. Claimants will have the statutory 30 day period in which to object to the Notice of Determination. Any Notice of Determination which is not objected to by the claimant within the statutory objection period will become a full and final determination.

Of the timely filed Proofs of Claim for medical services covered under the policies, the Liquidator estimates the adjudicated amount will be in the \$6,000,000 - \$7,000,000 range. All claimants of these Class 2 Proofs of Claim will have an opportunity to object to the determination of the Liquidator as to the value of a claim.

The Notice of Determination will include the maximum amount of the claim against the liquidation estate. Based on the available assets in the estate as of this filing, it is anticipated the final payment to claimants will be prorated.

Once all Notices of Determination have been accepted and/or resolved through the statutory objection process, then and only then is it anticipated that any potential distribution of liquidation estate assets will be presented to the Court. It is not possible at this time to estimate when this event will occur.

- 5 The Statement of Net Assets is presented as of the Seizure Date of March 23, 2010, as of May 20, 2010, as of September 30, 2010, as of December 31, 2010, as of March 31, 2011, as of June 30, 2011 and as of September 30, 2011. The Statement of Changes in Net Assets is presented for the period from the Seizure Date to December 31, 2010, for the period from January 1, 2011 to June 30, 2011, for the period from July 1, 2011 to September 30, 2011, and for the period from the Seizure Date to September 30, 2011.
- 6 The Checking/Temporary Investments balances shown are the reconciled balances as of the date shown.
- 7 The Vehicles are shown at their selling price. All of the vehicles shown as assets on March 23, 2010 had been sold by August 31, 2010, pursuant to the Court's July 14, 2010 Order.

**American Trade Association, LLC, American Trade Association, Inc.,
Smart Data Solutions LLC and Serve America Assurance in Liquidation
Notes to September 30, 2011 financials**

- 8 The Notes Payable were borrowed funds used to pay for two of the Vehicles (see also Note 7). These notes were paid off in conjunction with the sale of these two vehicles in August 2010.
- 9 The Payroll Liabilities represent the liability for all payroll tax expenses, penalties, and withholdings documented as of the Seizure Date and any Payroll Liabilities incurred subsequent to the Seizure Date.
- 10 Insurance Dues From ATA Members consists of premiums that were collected for policies that had been issued by the entities. The majority of these premiums were collected by companies such as Paylogix and CITM which debit members' bank accounts or credit cards. Other members made payments directly to the entities, and such deposits were posted in Eldorado, the entities' claims processing and management system.

CITM - On the date of Seizure, funds in the amount of \$851,207.21 had been collected by CITM but not remitted to SDS. Instead, these funds were held in an escrow account of the law firm of Evans Petree PC. Pursuant to the Court's direction during an April 1, 2010 turnover hearing, these funds were remitted by Evans Petree on April 2, 2010. Additionally, as a result of the Liquidator's asset recovery activities, additional funds were received from CITM on September 16, 2010 (\$236,961.08), and September 17, 2010 (\$421,889.63).

RECEIPTS POSTED IN ELDORADO - Funds continued to be received subsequent to the Seizure Date. These funds were recorded and deposited in the Company's bank account.

- 11 In late 2009 and early 2010, SDS made contributions to the University of Alabama which were not related to the business purpose of the company. On June 8, 2010, the University of Alabama remitted these contributions to the Liquidator.

The Liquidator has filed several petitions to recover assets of the entities in liquidation referred to above. On August 13, 2010, the Liquidator filed a petition to recover damages from Bart Posey and Angie Posey in the Chancery Court of Davidson County, Tennessee, within the receivership matter (Case No. 10-507-III). Mr. and Mrs. Posey have filed an answer to the petition.

On September 30, 2010, the Liquidator filed a petition to recover damages in excess of \$2 million from defendants William M. Worthy III, Caroline H. Worthy, Nationwide Administrators LLC, and Southeast Insurance Advisors LLC in the Chancery Court of Davidson County, Tennessee, within the receivership matter. William M. Worthy III has filed an answer to the petition. On May 5, 2011, the Chancery Court of Davidson County, Tennessee, entered an Order of Judgment by Default against Caroline H. Worthy, Southeast Insurance Advisors, LLC, and Nationwide Administrators, LLC, in the amount of \$2,009,253.82. The Liquidator is taking action to collect on the judgment.

The Liquidator has filed a petition to recover damages from defendants Gary L. Ketchum, Donald Choi, and First Risk Holdings, LLC, in the Chancery Court of Davidson County, Tennessee, within the receivership matter. On January 7, 2011, the Court entered an Agreed Order of Judgment against defendants Gary Ketchum and First Risk Holdings, LLC, jointly and severally, in the amount of \$582,966.85, plus costs of the litigation. The Liquidator is taking action to collect on the judgment. The case remains pending against defendant Donald Choi.

On March 15, 2011, the Liquidator filed a petition seeking damages for civil contempt and other appropriate relief against Bart S. Posey, Sr., Richard H. Bachman, William L. Hendricks, Jr., Russell J. Hensley, Theodore T. Kitai, Evans Petree PC, Best Benefits Association, Inc., and Quality Benefits Group, LLC, ("Contempt Parties") in the Chancery Court of Davidson County, Tennessee, within the receivership matter. The Court on June 27, 2011, entered a Memorandum and Order denying the Contempt Parties' Motion to Dismiss or Stay Contempt Petition. The trial is being reset from October, 2011, to February, 2012.

**American Trade Association, LLC, American Trade Association, Inc.,
Smart Data Solutions LLC and Serve America Assurance in Liquidation
Notes to September 30, 2011 financials**

On June 14, 2011, the Liquidator filed a Petition seeking damages for legal malpractice against William L. Hendricks, Jr., and Evans Petree PC ("Respondents") in the Chancery Court of Davidson County, Tennessee, within the receivership matter. On December 13, 2011, the Court granted the Respondents' motion to dismiss the Liquidator's Amended Petition. The Liquidator has filed a motion to alter or amend the Court's order of dismissal.

The Liquidator filed a verified claim and an answer to the Verified Complaint *In Rem* that was filed by the United States on February 16, 2011, in the United States District Court for the Middle District of Tennessee in the case styled *United States of America v. Four Real Properties Commonly Known As 814 Pitt Avenue, Springfield, Robertson County, Tennessee; 4676 Highway 41N, Springfield, Tennessee; 204 Lawrence Lane, Springfield, Tennessee; and 209 New Chapel Road, Springfield, Tennessee; and Proceeds From Any Sale Of The Four Real Properties By The Current Owners*, Case No. 3:11-cv-00138. The United States is seeking the forfeiture of these four properties and/or the proceeds from any sale of the properties. The Liquidator's claim requests that the Liquidator receive any proceeds after the payment of any secured creditors of the properties so that the proceeds may be returned in an equitable manner to the claimants who have approved proofs of claims in the Liquidation proceeding.

The Liquidator filed a verified claim and an answer to the Verified Complaint *In Rem* that was filed by the United States on February 1, 2011, in the United States District Court for the Middle District of Tennessee in the case styled *United States of America v. 2010 Chevrolet Camaro 2SS Coupe Bearing VIN #2G1FT1EWOA9145379*, Case No. 3:11-cv-00090. The United States is seeking the forfeiture of this vehicle. The Liquidator's claim requests that the Liquidator receive any net forfeiture proceeds so that the proceeds may be returned in an equitable manner to the claimants who have approved proofs of claims in the Liquidation proceeding.

Subsequently, the Liquidator withdrew the claims and answers and substituted petitions for remission, which seek the same results. The Liquidator also filed a petition for remission in *United States of America v. 2005 Harley Davidson Road King Motorcycle Bearing VIN 1HD1FXV185Y677771*, No. 3:11-cv-00388.

- 12 Prior to tax year 2009, SDS LLC had filed a Form 1065 (U.S. Return of Partnership Income) with the IRS. As far as is known, none of the other entities has filed a federal income tax return with the IRS. No federal tax return had been filed for the tax year 2009. Because of the complexities and unknowns surrounding these entities in 2009, the Liquidator has retained the services of an outside CPA firm to provide advice on what the IRS filing requirements are. No final decision has been made on the filing requirements after 2008.
